FLUOR®

TROJENA, GOLF CLUB RESORT PROJECT

Client: NEOM

Supervision Consultant: Bechtel

Main Contractor: KIBANI

Project Value: 28,000,000 USD

FAS General contracting company is proud to contribute to the iconic Torjena, Neom project, specifically in the development of the Golf Resorts near the world-class ski destination. As part of this prestigious initiative, FAS are undertaking the excavation and construction of a stunning golf yard area and the implementation of a challenging access road along the mountainous terrain.

With over 5,000,000 m³ of earthworks our dedicated teams and engineers have demonstrated exceptional expertise and efficiency, achieving remarkable progress within a short period.

THE LINE PROJECT

FAS General Contracting Company is proud to contribute to The LINE, a groundbreaking smart city project underway in Neom, Saudi Arabia. This innovative development spans 170 kilometers, seamlessly connecting the majestic NEOM mountains to the serene Red Sea through visionary desert landscapes.

FAS is actively engaged in the project, focusing on substantial earthworks and mega infrastructure within the mountainous regions of The LINE. These efforts are crucial for laying the foundation of this futuristic city, involving extensive excavation and grading to prepare the terrain for subsequent construction phases.

The LINE represents a paradigm shift in urban planning, eliminating cars, streets, and carbon emissions to redefine the future of city living. Designed to accommodate 9 million residents on just 34 square kilometers, it sets new standards for efficiency and sustainability in urban infrastructure.

With an ideal climate year-round, The LINE ensures residents can immerse themselves in nature while accessing daily necessities within a five-minute walk. High-speed rail further enhances connectivity, offering a transit time of just 20 minutes end-to-end.
